CLARESHOLM LOCAL NEWS

D. A. Anderson, J. W. Morrow, and J. A. Harrison, attended the Grand Lodge of the Independent Order of Odd-Fellows at Calgary this week.

The Methodist annual supper in Harrison Hall last Friday evening was a success in every way. The entertainment in the church after supper was also excellent.

Dr. Auld was in court Monday on a charge of making for, use of the prescription prerogative. He was found guilty and a fine of \$100.00 and costs assessed.

"Blind Husbands," "Hedge," "The Heart of Humanity," play "Calgary for the first time soon. Will be in Clarehsholm, at the Rex at an early date. Watch the Calgary papers.

The annual meeting of the U. F. A. Co-Operative Association will be held on Thursday, February 26th, at the Parish Hall, Clarehsholm, at 2:30 p.m. Members please remember this date and do your best to be present.

Why not quarantine all the houses where there are no cases of bad colds or so-called "flu"? In that event there would probably not be more than a dozen houses in the district that would come under quarantine. That would simplify matters greatly.

Married, at Long Beach, California, on February 7th, Miss Emma Mosley to Mr. Irving Chaffee. They will make their home at 158 East 35th street, Los Angeles. Mrs. Chaffee resided in Clarehsholm for several years, moving to Long Beach a little over a year ago.

A subscription paper has been in circulation this week to raise several hundred dollars where-with to purchase additional firefighting equipment for the town. The town has a fire department that the equipment is needed. The Review does not believe that by subscription is a right and fair way to raise the money therefor.

Memorial of Appreciation

Following upon a very general feeling and desire expressed amongst the overseas officers, a meeting of representatives of the headquarters of the military forces from beyond the seas was held recently in London, England, at which it was decided to establish a permanent memorial of appreciation of the kindness and courtesy shown by the Royal Automobile Club to the officers who became guests of the Club as members of the Royal Club for Officers Beyond the Seas.

The Department of Militia and Defence has requested the General Officer Commanding to open a subscription list in Military District No. 13, and invite the attention of all officers of the C. E. F., who have served in England or in the French and Belgian theaters of war, and ask them to contribute to this fund. The subscription is limited to \$100 per officer.

The subscription list in Military District No. 13 will be closed on the 20th of February, and the amount collected forwarded to Militia Headquarters Ottawa for transmission to London. All cheques or money orders should be made payable to the order of the A. A. & Q. M. G. M. D. No. 13, and sent to Headquarters Military District No. 13, The Armouries, Calgary, Alberta, and will be acknowledged.

Government Will Furnish Seed

The following letter has been received from J. D. Smith, Superintendent of the Seed and Weed Branch, Department of Agriculture, Edmonton:

"Dear Sir—In reply to your letter of recent date, we are glad to inform you that the Government is prepared to furnish seed to homesteaders who have not secured patent to their lands, and the Provincial Government to those who have secured patent to land, taking in each case a lien on the land on which seed is sown. Agents of the Provincial Government will take the applications for both Provincial and Dominion advances, and will be sent to the principal points in the various districts which require assistance, remaining at such points a sufficient time to enable all who wish to meet them. Notice will be given through the local papers of the time when agents will begin work. No application forms will be sent out in advance, but persons who require assistance can write direct to the Seed and Weed Branch, Department of Agriculture, Edmonton, giving the correct description of their land, the amount of seed required, and stating whether they hold patents or are homesteaders. Renters or those holding land on agreement of sale, the owner of the land must either sign the lien or give the person who receives the seed a power of attorney to sign in his stead. Such power of attorney form will be sent on request to those needing same.

Persons needing seed who can buy in their own locality should make arrangements to do so, and orders will be given to the persons they buy from in payment of same, but no orders will be given until all necessary papers are properly completed by the agents of the Department. In Municipal Districts the work of distribution will be entirely in the hands of the Municipal officers and all applications or requests should be sent direct to them. The Provincial Department will only act in the unorganized districts. Persons farming on land purchased from the Canadian Pacific Railway Company, who do not hold patent to their land, should apply to the said Company for their seed requirements.

Yours truly,
 J. D. Smith,
 Superintendent

OBITUARY

The death occurred Thursday, January 20th, at his home nine miles east of Claresholm, of Norman M. Lepard, for ten years past a well known and respected resident of this district.

Important Notice to Farmers of Southern Alberta

Each application will receive as prompt attention as possible.

"What Phonograph Shall I Buy?"

How many times, when the subject of purchasing a phonograph or talking machine has come up, have you asked yourself this question!

The Edison tone test answers it for you, completely, convincingly.

Over two million music lovers have been present when this test was being made, and they have realized, as you will realize, that the New Edison alone can actually re-create the human voice and the music of human-played instruments.

It is all-important that you hear

The NEW EDISON

"The Phonograph with a Soul"

because it is the only instrument that re-creates the singer's voice so faithfully that the human ear cannot distinguish the rendition of the artist from that of the New Edison.

The wise way to choose your phonograph is to have the several makes of phonographs and talking machines sent to your home on trial, where you can make direct comparisons among them, and then decide which one you would like to keep--which one you think you would enjoy hearing as much five years from now as you do to-day.

Be your own salesman. Sell a phonograph to yourself. We will gladly send a New Edison to your home for the purpose, without obligation on your part.

CORRESPONDENCE

Mr. J. B. Ossey of Nanton and Mr. Stewart Ellis of Granum were the guests of Miss M. Lepard for the week end. They spent the said time at the home of Ike Lepard and a very enjoyable time is reported as being had.
We would suggest to Mr. Stewart Ellis that he had better follow up the diamond ring with a plain band ring at once or his diamond might be returned and the other fellow accepted.

A Family Treat

A real good treat for every member of one's family would be a year's subscription to the Family Herald and Weekly Star of Montreal. It costs only \$1.50 and each subscriber receives a handsome souvenir portrait of the Prince of Wales, 16x22 inches. The portrait alone is well worth the money. The Family Herald and Weekly Star is a credit to Canada. It has over three quarters of a million readers and thousands more are being added each week. It is a wonderful combination of a newspaper, family magazine and agricultural journal, the best of its kind in America. It is well worth a trial for a year. Every member of your family would be benefited by the weekly visit of that great paper.

A loan will tide you over the hard times. See Fraser & Peck.
